

The logo graphic consists of several overlapping, organic, cloud-like shapes. The top layers are light green, while the bottom layers transition into various shades of blue, from teal to a deep navy blue. The overall shape is roughly circular but with soft, irregular edges.

aha plus

Recognition Schemes
for Youth Activities

Background

Background

How do we invite
young people
to become
active citizens?

Objectives

Objectives

aha plus is designed to strengthen young people and volunteering as an important long term factor of life quality in our region.

Stakeholder Engagement

Strategy & Actions

Recognition & Nudge

Certificate & Reflection

How does aha plus work?

What is aha plus?

- Recognition system for young people who actively contribute as volunteers
- 12 to 24 years of age
- Do voluntary work – earn points – exchange points for rewards

aha plus ist ein Projekt des aha im Auftrag des Büros für Zukunftsfragen in Zusammenarbeit mit dem Fachbereich Jugend & Familie beim Amt der Vorarlberger Landesregierung.

* Bei diesem Wert handelt es sich um eine Annäherung durch aha plus.

Outcome

Voluntary commitment is increasingly perceived in public.

Young people are offered opportunities.

A wide network of associations has been created.

Outcome

Statistic Nov. 2017 – Oct. 2019

317 registered associations, organisations,
municipalities

7.036 young people up to 24 years are registered

7.341 voluntary activities carried out with aha plus

3.047.650 points collected in total

Adaptability

There is potential for a know-how transfer on a national and transnational/European level.

This can create added value for all the actors involved.
